

**DENBOW**  
innovating naturally

Denbow provides a variety of services and equipment for film production and special effects.

- ✓ Installation of snow with blower trucks! Create a winter scene any time of year, exactly where you want it...
- ✓ Site reclamation and seeding
- ✓ Sawdust, woodchips and other wood products for set dressing
- ✓ Mud control
- ✓ Trucks, tractors and trailers for roadway or highway filming
- ✓ Bedding for animals on set

# FILM PRODUCTION SUPPORT

Our crews have experience working on set with special effects and art teams, as we've worked on many different productions. We understand the demands of being on set, are available around the clock, and provide excellent efficient service to avoid production delays.

Our experience includes working on these sets:

- ✓ Elf
- ✓ Santa Hunters
- ✓ Night at the Muesum
- ✓ Done One
- ✓ Shooter
- ✓ The X files: I Want to Believe
- ✓ The Grey
- ✓ Apple and Netflix sets
- ✓ many commercials
